How do i assist myself
How do i assist literary interpretation

1/2

I can assist my self by playing games, eating foods and entertaining my self. It helps me to calm my mind so I can think clearly and right. It also helps me to relieve stress that i might have.

When I adaptating, I often retell the story to myself after I have read the source and tried my subconsciou to remember the bits that matter. Also, pay attention to how the author the end of chapter. That how i assist literary adaptations.
